

Curriculum Overview

At Pheasant Bank Academy providing our children with the best education through effective teaching learning is at the heart of everything we do. Our staff are committed to delivering high quality lessons which inspire children to achieve their potential and, in time, become successful and productive members of their community. Our school motto 'Being the Best We Can' encapsulates our ethos at Pheasant Bank Academy. We aim to provide a safe, supportive and stimulating environment in which children can grow a love of lifelong learning. Teachers' planning promotes the 'mastery' of basic skills and strives for our pupils to develop a greater depth in their knowledge and understanding. Pupil achievement is continually assessed and monitored so that all pupils make the best possible progress.

Our whole curriculum is one that centres on Personalised Learning. This means that all pupils receive the teaching that they individually need in order to improve. Teachers give individual attention to pupils to ensure they are secure in a particular area, before moving on to the next area. The needs of our pupils is always at the forefront of our minds. Our curriculum is exciting and vibrant, with pupils given the space to carry out personal research and present their work in a variety of ways such as presentations and open days for parents.
