

Academy Values Ethos and Vision

Vision & Values

Our vision is based on the values and the principles of the Delta Academies Trust, the academy sponsor. Our academies pride themselves on being:

- Institutions with high expectations both for the individual and where there will be a collective responsibility, for raising community aspirations.
- Caring schools, based upon social responsibility, honesty, equality and consideration for others.
- Highly successful schools where self-help, self-determination and self-improvement are encouraged.
- Innovative and energising learning centres which develop lively and enquiring minds for both students and staff.
- Schools which promote inclusion rather than exclusion and by working in partnership with local agencies and offering a personalised curriculum for all, will strive to adopt a zero exclusion policy.
- Schools where courtesy, co-operation, enterprise and initiatives are paramount and where tolerance rather than intolerance is practised.
- Schools which are the centre of the community as a resource, in its services to others and in promoting community and social cohesion.
- Centres of educational excellence, where no individual is left behind and where all students of any age or background are provided with the support to become responsible and successful citizens
