Dear Parent/Carer,

As the half term comes to a close, I would like to celebrate the amazing work that has taken place across the wider curriculum. From exploring fire in science, to clay work in art and sewing in design technology, it has been clear to see how engaged pupils have been with their learning. In addition to this, the in-depth conversations about religion and personal values I have heard have been extremely impressive and something our pupils should be very proud of. Here are some photographs of what has been happening inside our classrooms:

Updates and examples of work can be found on our Twitter page [DeltaPheasantB](#)

I would also like to inform you that our Office Manager, Mrs. Godwin, will be leaving us today. Mrs Godwin has worked at Pheasant Bank since 2017 and has been an incredible member of staff who has provided amazing support for parents, staff and children at the academy. The team would like to thank her for everything and wish her well in her next venture.

On a final note, I would like to thank all parents and carers for your continued support and wish you a happy half term. Mr. Schofield

### **COVID 19—Important Information**

Please note:

If your child or a member of the household develop any COVID 19 symptoms, it is important you inform the academy even during half-term and you keep us updated with any underlying medical conditions your child may have.

The main symptoms of COVID 19 are:

- New continuous cough (this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours) and/or
- A high temperature (this means you feel hot to the touch on your chest or back)
- Loss of, or change in, normal sense of taste or smell.
