Dear Parent/Carer,

I would like to update you with exciting opportunities that children will have during this academic year. Firstly, we have continued to strengthen our relationship with Kixx and add to the provision they offer at our academy. Kixx coaches will now be delivering structured sports during dinner times for two afternoons per week and also delivering P.E sessions for some of our children. In addition to this, coaches will be supporting with the delivery of nurture groups once per morning.

We will also continue to work with Rainbow Connection in order to run a Pheasant Bank Choir. Auditions have taken place for this and the choir meet once per week to practise and rehearse. I have had the pleasure of watching their most recent performance and can't wait for it to be videoed and shared with our school community.

Finally, we will be continuing to strengthen our nutrition and cooking lessons and every year group will have a chance to cook a recipe once per half term!

The academy are currently finalising plans to offer a wide range of before and after school clubs. Once this has been confirmed, you will receive an email with the clubs being offered.

Fidget toys and Popper Toys

The academy are asking that children do not bring additional items to school such as fidget toys and popper toys from next week.
